**Timelly — The Future of Schools, Delivered on Time.**

About Timelly

Timelly is an all-in-one school management and parent communication app built to simplify how schools share updates, manage activities, and stay connected with parents.
It brings everything — from admissions to assignments — under one simple, reliable platform.

1. Admission module
2. Attendance
3. Home work and Assignments
4. News feed
5. parent - teacher chat
6. Marks Report
7. work shop creation
8. fee payments (Auto Generate Receipt)
9. Certificate Request
